Give your young scientist an amazing experience of exploration and discovery in one of our hands-on classes designed especially for inquisitive preschoolers, 3-5 years old. In all our preschool classes, a parent or caregiver must attend with the child. Please, no unregistered siblings in class. www.cityofpaloalto.org/enjoy

Animal Detectives

How do animals investigate the world? Can snakes sniff? What do owls hear? Find out how our zoo animals use their senses to find food, identify friends and check out the visitors to our zoo.

❖ 4 classes \$83R/\$95NR 10 max
4118 3Y - 5Y Tu Jan 20 – Feb 20 10-10:45am

Coastline Critters

Have you ever walked along the beach and wondered what dwells beneath the waves? Well join us, and find out what strange creatures live hidden in the spaces between the rocks--animals without heads and eyes on their arms, critters that look more like plants, and much more!

❖ 4 classes \$83R/\$95NR 10 max
4121 3Y - 5Y Tu Feb 24 – Mar 17 11:30-12:15pm

Construction Zone

How high can you build a tower? How wide can you build a dome? Come build with us and learn how to build a variety of sturdy structures.

❖ 4 classes \$83R/\$95NR 10 max
4120 3Y - 5Y Tu Feb 24 – Mar 17 10-10:45 am

Discovery Wednesdays & Fridays

Discover a smorgasbord of science at the Junior Museum and Zoo. Each week, we'll explore a variety of exciting science topics. Activities change each session, quarter and year, so you can sign up again and have new adventures. Discovery Fridays and Discovery Wednesdays contain similar content. (This is a preschool class. Kinders should register for Science Sleuths, listed in the 'Kids' section.) ***No Class Feb 13, Mar 13***
