Give your young scientist an amazing experience of exploration and discovery in one of our hands-on classes designed especially for inquisitive preschoolers, 3-5 years old. In all our preschool classes, a parent or caregiver must attend with the child. Please, no unregistered siblings in class. www.cityofpaloalto.org/enjoy

Bridges and Boats

This class is designed for the child who likes construction and transportation. Build different kinds of bridges while you learn about what makes bridges sturdy. Then, build a boat while you explore what keeps boats afloat and what makes them sink.

Discovery Wednesdays & Fridays

Discover a smorgasbord of science at the Junior Museum and Zoo. Each week, we'll explore a variety of exciting science topics. Activities change each session, quarter and year, so you can sign up again and have new adventures. Discovery Fridays and Discovery Wednesdays contain similar content. (This is a preschool class. Kinders should register for Science Sleuths, listed in the 'Kids' section.)
